INSTRUCTIONS FOR COMPLETING UNIFORM CONVICTION INFORMATION ACT REQUEST FORMS

On January 1, 1991, the Uniform Conviction Information Act (UCIA) became law in Illinois. This act mandates that all criminal history record conviction information collected and maintained by the Illinois State Police, Bureau of Identification, be made available to the public pursuant to 20 ILCS 2635/1 et.seq. The Illinois State Police maintains Illinois criminal history record information only. The UCIA permits only conviction information to be disseminated to the public.

There are two types of Conviction Information Request forms which can be used to request UCIA information. Form ISP 6-404B (11/10) is to be used to request a fingerprint based search. Form ISP 6-405B (11/10) is to be used to request a name based search. Each form has a unique transaction control number. Consequently, copies cannot be processed. All inquires must be submitted on an original form. Forms can be obtained by contacting the Illinois State Police at (815) 740-5216. Forms can also be ordered through the Internet by selecting the Criminal History -- Request UCIA Forms entry on the Illinois State Police Internet Home Page. Our home page address is <http://www.isp.state.il.us>.

Requests for UCIA information are to be made according to the following instructions. Failure to complete all required fields which are marked in bold will result in the return of the request unprocessed. Also, failure to properly complete all required fields on the reverse side of this form will result in an error and will require an additional fee upon resubmission.

1. The request must be legible. Failure to provide a legible request may result in an incorrect response or delays in delivery.
2. The requester must complete a Uniform Conviction Information Act Request form for each conviction record requested. Maiden names must be submitted on a separate form if name is to be searched.
3. Each request must contain the requester's complete return address.
4. Each request form must be accompanied by the correct fee in the form of a personal check, money order or cashier's check payable to the **ILLINOIS STATE POLICE**. Multiple requests may be submitted in the same envelope with a single check enclosed to cover the total cost for all requests.
5. The individual named in the request may initiate proceedings to challenge or correct a record furnished by the Illinois State Police by contacting the Bureau of Identification at (815) 740-5160 or request information via email at: boi_customer_support@isp.state.il.us.
6. The subsequent dissemination of conviction information furnished by the Illinois State Police is permitted only for the 30-day period immediately following receipt of the information.
7. The subject's complete and accurate name, sex, race and date of birth are required in order to check the Illinois criminal history record files. Without this information, the search of the Illinois criminal history record information files could be adversely affected.
8. Please do not include or attach any other correspondence.

IF THE REQUEST IS FOR EMPLOYMENT OR LICENSING PURPOSES, THE FOLLOWING ADDITIONAL INSTRUCTIONS APPLY

9. Pursuant to 20 ILCS 2635/7, a requester must maintain on file for a minimum of 2 years a release signed by the individual to whom the information request pertains.
10. The requester must provide the individual named in the request with a copy of the response furnished by the Illinois State Police.
11. Within 7 working days of receipt of such copy, the individual named in the request must notify the Bureau of Identification as well as the requester if the information furnished by the Illinois State Police is inaccurate or incomplete.

*****NOTICE*****

Any person who intentionally and knowingly requests, obtains or seeks to obtain conviction information under false pretenses, disseminates inaccurate or incomplete conviction information or violates any other provision of 20 ILCS 2635/1 may be guilty of a crime punishable by up to one year of imprisonment and/or may incur civil liabilities.
